**Guatemala, Centro América**

**Specific Needs 2007-2008**

Purchase or furnishing of a physical locale and other infrastructure to provide enhanced services to the general public and to avoid rental costs.

Financing for the monthly midwife training programs, focusing on the needs of traditional midwives, in diverse themes such as prenatal control, birth and postpartum management, traditional medicine, modern medicine, first aid, common diseases of infancy, artesanal production, communal or family medicinal gardens, microeconomics, women's issues, social movements.

Financing to pay salaries to Association staff in order to be able to continue to provide oversight for high-risk pregnancies and provide medical care to our affiliates and the general public.

Improvement of our supply of medicines for low-cost resale to the general public.

Training materials.

Financing for the implementation of communal medicinal plant gardens.

Help obtaining materials necessary for birth attendance.

Financing for the growth of the organization's oversight capacity.

Participation of volunteer physicians and nurses in our clinics.
